A Cost Cough Medicine for Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Morris, a well known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children as it contained no opium or other harmful drug." Sold by all druggists.

Mr. and Mrs. G. F. Lehmann returned Sunday from New Orleans where they witnessed the Mardi Gras and attended the National Editorial Convention. While in the Crescent City they and Mr. and Mrs. Ernst Goeth of the Schulerberg Steker, were guests of Mr. Thomas H. Goeth, formerly with Scarff & O'Connor of Houston and he and his family entertained them with real old time Southern hospitality that knows no stint. Mr. Goeth's many friends in Texas will be glad to learn that he has entirely recovered his health and has a desirable situation in New Orleans.—Hallettsville Herald.

GUERO TO HAVE A COTTON MILL.

Business Men Have Definitely Decided on It.

Cuero, Texas, March 7.—A meeting of the leading and wealthiest business men was held this morning and it was decided to build a cotton mill here for next season's crop.

The subscription list has not been opened, but informally it was stated that among those present stock approximating \$50,000 would be taken.

A plan was adopted and a mass meeting called to meet at the court house next Tuesday to take final action. All business houses will close during the time of the meeting. This assures a mill for Cuero.

For broken limbs, chilblains, burns, scalds, bruised skins, sore throat and sores of every kind, apply HAL-LARD'S SNOW LINIMENT. It will give immediate relief and heal any wound. Price 25 and 50 cts. For sale by Aug. Grove.

County Clerk Buchanan after carefully searching the records, publishes in this issue of the Herald a notice calculated to arouse some of the delinquent guardians and administrators in the county from a Rip Van Winkle sleep of twenty years, more or less. The law requires these reports to be made and costs to be paid and they will have to act quickly, in order to escape the penalties.—Hallettsville Herald.

If troubled with rheumatism give Chamberlain's Pain-Balm a trial. It will not cost you a cent if it does no good. One application will relieve the pain. It also cures sprains and bruises in one-third the time required by any other treatment. Cuts, burns, frostbites, quinsy, pains in the side and chest, glandular and other swellings are quickly cured by applying it. Every bottle warranted. Price 25 and 50 cents. For sale by all druggists.

Talk about protection to trusts! The borax trust, with a tariff of 5 cents a pound, is selling its product to Americans at 7½ cents and to Europeans at 3½ cents a pound. The steel and wire trust is selling hardware to Americans at \$2.12 per hundred pounds and to Europeans at \$2.20 per hundred pounds. Yet the tariff "does not unduly protect the trust!"—Exchange.

If you are not well, A dose of HAL-LARD'S HOME-FOEND SYRUP at bed-time will do you in. Price 25 and 50 cts. For sale by Aug. Grove.

Lavaca county has so far been particularly fortunate in not being troubled with small-pox, but this should not make us careless. About the only danger in this connection arises from the fact that our colored residents are not vaccinated. Our health officers should issue a mandate compelling all negroes and Mexicans to be vaccinated and the County should pay for the virus and if necessary a small fee for those who are financially unable to stand the expense.—Hallettsville Herald.

The disposition of children largely depends upon health. If they are troubled with worms, they will be instantly cured, feverish and irritable gone. WHITEL'S CITRUM VERMIFUGUM is a worm expeller and tonic to make them healthy and cheerful. Prices etc. For sale by Aug. Grove.
